GOABK1 - AUTHENTIC GENOA BY BIKE

ACTIVE &
ADVENTURE

This appealing half-day outing lets you discover what makes Genoa so special by bike. Following a moderately difficult route of about 25 km, you'll first cycle around the harbour to pass Genoa Aquarium and the old Lanterna lighthouse on your way to Porta del Molo, an area in the old town. Enjoy the old-world feel as you cycle down the ancient caruggi (lanes) to reach Porta Soprana, an entrance in the old city walls. After a look at the house of Christopher Columbus, you'll pedal on to Genoa Cathedral, consecrated in 1118, and Piazza de Ferrari for a break. Take some photos of the fine buildings on the square, which is near the 13th-century Doge's Palace. Next, you'll bike your way to the pretty fishing village of Boccadasse, where you can have a break at one of many cafés or go for a swim at the short stretch of beach. On returning to the city, you'll make your way to Via Garibaldi, a UNESCO World Heritage Site as a street of palaces. After a short climb to a viewpoint, you can enjoy final views of Genoa before biking back to the ship. Please note: this tour is only for guests in transit in Genoa port; it is available only for guests on MSC Bellissima and MSC Seaview. Guests will cycle for a total of 17 km. GOABK2 - COSMOPOLITAN GRANDEUR AND COASTAL CHARMS OF GENOA

ACTIVE & ADVENTURE

This tour is made easier by riding a pedelec - an electrically powered bicycle which assists the rider's pedal power at speeds of up to 25 km/h. Leaving the port, you'll pedal around the harbour basin past Genoa Aquarium and the Old Harbour (Lanterna) all the way to the Porta del Molo. Cycling through the atmospheric narrow "caruggi" streets, you'll come to the Old City Gate (Porta Soprana) and Christopher Columbus' House, located just outside the ancient medieval city walls. From there, you'll continue to Genoa Cathedral and the Piazza De Ferrari, where you'll have a first short stop to admire the beauty of this magnificent square and the nearby Doge's Palace, one of the oldest buildings in the city. Photo break over, you'll leave the old city to visit the famously picturesque village of Boccadasse, where you'll have the opportunity to enjoy a leisurely coffee or a swim from the small but charming beach, surrounded by cafés. Suitably refreshed, you'll cycle back towards the city centre, but turn north before getting there to access a magnificent viewpoint with panoramic vistas of the city. The partly steep and winding road will lead you to the Terrazze Capolinea Funicular Railway Station for a quick coffee break before you make your descent back to the city and port. Please note: guests will have to cycle 27 km with some steep climbs. This tour is available only for guests in transit in Genoa port and for guests on MSC Bellissima and MSC Seaview. MRS16 - AIX-EN-PROVENCE ON YOUR OWN

SCENIC ROUTE

This tour for the independent traveller begins with a 40-minute coach transfer to the University and SPA town of Aix-en-Provence. On arrival in this lovely town, "Place de la Rotonde", with its beautiful fountain will be the starting point of your free exploration to discover Aix-en-Provence's many landmarks, streets and avenues. Popular attractions include "Place des Quatre Dauphins" Four Dolphins Square with its lovely fountain adorned with sculptures of four dolphins, the Cathedral of the Holy Saviour and the famous Mazarino Quarter, a residential district created by Cardinal Mazarin's brother in the last half of the XVII century. But as this tour is all about what you want to see in the French town, the choice of what to see is yours alone to make. Just be sure to be at the meeting point in good time in order to board your return coach to Marseille and your cruise ship. Please note: Wheelchair users must be accompanied by a paying helper to provide assistance with getting on and off the coach; wheelchairs must be collapsible/foldable since the coach has neither a ramp nor a lift. MRS19 - CHARMING ARLES

CITY TOUR

Board a comfortable modern coach for an enjoyable 1.5-hour drive to the historical city of Arles located in the Camargue region in the south of France. The city was once the main Roman colony of ancient Gallia Narbonensis. UNESCO listed the city's Roman and Romanesque monuments as World Heritage Sites in 1981. The Dutch post-impressionist painter, Vincent van Gogh, lived in Arles for a year between 1888 and 1889, during which time he produced more than 300 paintings and drawings. Your panoramic walking tour includes the main sights such as the Church of St. Trophime, which once held cathedral status, the "Place du Forum" that inspired van Gogh's famous painting and the Roman amphitheatre, whose 120 arches date back to the 1st-century. The amphitheatre was capable of seating more than 20,000 spectators and was built for providing entertainment for the masses in the form of chariot races and gladiators engaged in bloody hand-to-hand combat. You will have time to explore on your own before returning to the ship. Please note: as the tour involves walking on uneven and rough ground, it is not suitable for guests using a wheelchair. Guests of limited mobility are requested to evaluate their personal level of stamina and ability before taking part. Comfortable shoes and a hat (in summer months) recommended as well as conservative attire for visiting places of religious importance.

MRS14 - DELUXE VISIT TO PROVENCE: AVIGNON & AIX-EN-PROVENCE

CULTURE AND HISTORY

While the sun-kissed shores of southern France make ideal holiday destinations, the delightful towns lying inland are equally worth a visit. Designed to let you savour two such jewels, the outing begins with a 40-minute drive to Aix-en-Provence, where you will visit the Cathedral of the Holy Saviour. Sitting on the site of a former Roman forum and amalgamating a variety of architectural styles from the 5th- to the 17th-centuries, the Cathedral boasts a richly decorated Gothic façade with elaborately carved doors, and to the north of the building an unfinished tower. You will then walk through the historical district to reach the lovely Mazarin quarter, a residential area built for the town's gentry in the second half of the 17th-century. A chance to relax then follows on the 90-minute drive up to Avignon, after which you'll have some time for lunch in one of the town's many brasseries before moving on to the monumental Papal Palace, the seat of Christianity in the 14th-century and now a UNESCO World Heritage Site. Rich in galleries and chapels as well as frescoes and hand-painted wall-hangings in the private papal suite, the palace still bears testament to its former opulence. The pleasant return drive to Marseille and your ship then brings the tour to an unhurried close. Please note: this tour includes long periods of walking on uneven ground with stairs to negotiate; it is not available to guests who use a wheelchair. Guests of limited mobility are requested to evaluate their personal level of stamina and ability before taking part. Guests are requested to wear appropriate attire for religious visits. The cost of lunch (optional) is not included in the price of the tour.

After a few minutes, you will reach the wonderful village of Valensole, where you can enjoy a walking tour past the village square with its fountain, the church and the castle.
